

# Regulatory Update

## Mexico

COFETEL has announced that they will be moving to a new office from the 2<sup>nd</sup> April until the 6<sup>th</sup> April.

Hence, COFETEL will be closed during these days, and resume its activities on the 9<sup>th</sup> April.

Although, the move is expected to last one week, we feel it is reasonable to expect delays with the review of applications and the issuance of Approval certificates for a few weeks after the move.
