

Regulatory Alert - Colombia

Public consultation on draft regarding proposal to update CNABF to include 71 – 76 GHz and 81 – 86 GHz bands

On 15th February 2017, Colombia's National Spectrum Agency (ANE) released a statement on their website advising that a public consultation is underway concerning a draft for updating its National Frequency Allocation Table (CNABF) to include a channel distribution plan and conditions of use for the E- band (71 - 76 GHz, 81 - 86 GHz).

The public consultation officially opened on 15th February 2017 and will close on 1st March 2017. Any interested parties can submit their comments, opinions or suggestions up until this date to mauricio.tarazona@ane.gov.co or by sending a letter to the ANE offices the following address:

Calle 93 # 17-45 piso 4
Bogota, Colombia

Please see the below link to draft proposal. The text is in Spanish language:
