

Regulatory Alert – Paraguay

New labelling requirements in Paraguay – additional information obtained

Further to PCS' Regulatory Alert issued on 21st September 2017 concerning the new labelling requirements for Type Approval in Paraguay, PCS has now received clarification on the following points:

- Implementation date – the new labelling requirements are effective as of 23rd August 2017.
- Impact to devices – the Regulation applies to all new devices and all new import consignments of already-Approved devices. All units entering the Paraguayan market after 23rd August 2017 must be compliant with the new labelling requirements prior to import.

PCS has also been advised that Paraguayan Customs and the Ministry of Industry and Commerce will be carrying out respective controls for this new Regulation.
