# Regulatory Update

September 2013

## Libya Type Approval Scheme

Official Type Approval regulations and procedures have been released by the Ministry of Communications & Informatics.

Type Approval is now mandatory in Libya, and applies to all radio equipment for import and sale. Test reports issued under R&TTE are acceptable however must be issued by ILAC (International Laboratory Accreditation).

In the case of foreign manufacturers, a local agent or representative must act as the local applicant, lead-time is between 5-6 weeks.

Approval Certificates are valid for 5 years.
